OTHER TECHNICAL INFORMATION:

1. The burner is manufactured with ceramic matting called Ceramat. This creates a sparkling flame. The fire is supplied with a pebble set as standard, it is the choice of the user if these are used or not.
2. The Gather is supplied as standard as this also protects the matting from debris. The gather has a 125mm spigot and is able to be fitted into the opening before the enclosure.
3. Fire is available to buy for Natural Gas or LPG/Propane. Please specify when ordering.
4. The fire is operated by Manual Control piezo ignition system.
5. The fire is approved for use with a 125mm Flue Liner of minimum length 3m from the top of the gather. The fire is also suitable for a class 2 or pre-cast chimney system of the same length.
6. For Technical Drawings see page 2.
